

At last board meeting the following were suggestions to be emailed to all owners:

1. **Approved Minutes** - All approved minutes are posted on the BG website at <http://www.bermudagreensnaples.com> and on the bulletin board inside clubhouse.
2. **New Comcast Deal** - If anyone has questions or is in need of assistance related to the new Comcast deal, please contact either:
  - Mark Talaga, Property Manager  
239-514-0722 or [bermudagreenoffice@gmail.com](mailto:bermudagreenoffice@gmail.com)
  - Jan McCloskey, E10 Project Consultant  
617-653-1409 or [jmccloskey@ontrackconsult.com](mailto:jmccloskey@ontrackconsult.com)

Note: If you are experiencing technical issues with the Comcast services you need to contact Comcast technical support for assistance.

3. **Comcast Free installation Period Expiring.** A gentle Reminder the Comcast free installation period for the new bulk deal will end on November 7, 2018. If you have not yet contact Comcast to ensure you have the bulk services and billing aligned to the new deal or have not been upgraded yet, please contact an Xfinity/Comcast Care Agent at 1.800.934.6489 or stop by an Xfinity Store.

FYI, if you miss the free installation period, you are still eligible for the new deal bulk services and can get them anytime, you will just have to pay a \$60 installation fee.

Mark Talaga  
Property Manager BG
