A MESSAGE FROM THE PRESIDENT

It's that time again: set the clocks behind 1 hour, weather is mid 80s and sunny, reunions occurring around the pool and clubhouse, walkers are out and about early in the am.

Bermuda Greens is launching into another season looking as beautiful as ever and with a number of activities which make it the envy of other communities in Southwest Florida. Just glance at the sections which follow in this edition of the Bugle and it's no wonder condo sales and long term rentals are up.

Stay active, be healthy and safe travels to those reroute to our version of Paradise.

Fred Demma, President

TREASURER'S REPORT

Welcome back to all residents! We are so fortunate to reside in such a beautiful place. After IRMA hurricane with all the resulting damage, Steve Smith has again transformed BG into a wonderland. Thank you Steve!!! Our finances remain in excellent shape. Out of the \$221,030 only \$60.895 remains to cover the rest of the damages. These remaining effort is to repair all the soffits and gutters, some landscaping, and the bills for Unit C1.

All residents have paid their fair share of the special assessment and the 4th quarter dues are on track. Expenses remain at or under budget to date and the Reserve is on budget.

Projects to be completed this year are the repair of our soffits, power washing sidewalks and driveways, and adding mulch to our gardens. Projects to be considered for the near future are cleaning and sealing our roofs, getting bids to repair the lakeside banks and fixing the circle on Hamilton Harbour.

We are preparing our budget for 2019 and have scheduled the Board to review it on Nov 20.

Rob Blagg, Treasurer

LONG RANGE PLANNING COMMITTEE

At the request of the Board, Long Range Planning will be looking for roofing contractors to give us a bid for cleaning and treating our roofs. This project was begun last year to give us an idea of what costs to expect, keeping a focus on companies who have expertise working on roofs using the same type of tiles used on Bermuda Greens roofs. Obtaining additional bids will help the board plan for these costs in the upcoming budget process.

If you have an interest in joining the Long Range Planning Committee, please contact a Board member or my contact information is below.

BERMUDA GREENS MEN'S CLUB

The Mem's Club will be starting again this year on Tuesday November 6th. We will meet in the Club House at 9:00 a.m. for our regular hour long discussion about things great and small. As we have some money left over from last year the normal \$1.00 donation will be suspended for the time being. Bring a smile and a topic to trash about. If anybody has a theory concerning missing museum art and how much information Whitey took to the grave bring it to the meeting.
