

BERMUDA GREENS BUGLE

Pres. - Fred Demma, VP – Steve Smith,
Director – Guy Miata,
Secretary – Mark Chambers,
Treasurer – Bob Giese
Editor – Susan Shrewsbury

ISSUE NO: 178 – APRIL 2020

A MESSAGE FROM THE PRESIDENT

The Bermuda Greens community has done its best in response to the Coronavirus and the recent impact of the FL Governor's Executive Order. We all have felt the unwelcome health and economic conditions that this virus has caused. The United States of America is a great and resourceful country that will fight its way out but we need the cooperation of all. Stay Safer in your homes and use Social Distancing when involved in essential activity.

Fred Demma, President

TREASURER'S REPORT

February income is \$1k over budget and expenses are \$16k under budget largely due to water and sewer charges that have not been posted yet. There will be an increase in the pool expenses as service was increased to 5 days per week due to unexpected high use. Our budget basically consists of contracted services and the board will remain diligent in keeping within this frame work while preserving our quality of life and services.

Bob Giese, Treasurer

PROPERTY MANAGER

For some, the season is over and it's time to pack the car and head north. For the rest of us, we crank down the A/C and begin our spring cleaning. Bermuda Greens is no different. We have roofs to be cleaned, landscaping issues, and building repairs. For those that decide to stay a little bit longer at Bermuda Greens, take the time to walk outside and enjoy the flowers and refreshing air. Do not walk in the middle of the road because it's dangerous. At night those noisy and large Kane Toads should be avoided by pet owners. They are poisonous!

Think about how lucky you are to be here in Naples. While the Corona Virus takes the headlines, we can do our part by keep our distances, and maybe, Naples will be spared. Be happy, be kind and help others if you can. We look forward to seeing you next season. As your community association manager, it's been a pleasure to work with you and yes, I enjoyed the conversations. Till next season...

BERMUDA GREENS WEBSITE

Website: BermudaGreensNaples.com

As we move through this unprecedented time, please be sure to look for announcements in your email from Bermuda Greens News to stay up to

date with community announcements. You can also check New Notifications found on the Home page of the website for the latest information. We've provided links to the CDC and to the Florida website for the most up to date information available from federal and state government agencies. We will maintain these links under Useful Information on the website.

Now for the good news, the Directory is now available in the Owners Section. It is provided by Address and Alphabetically. It has proven a little tricky to list Units that have two owners with different last names, in the correct alphabetical order. This is a data entry issue in the management database and although it creates a bit of confusion in the Alphabetical Directory, we will have to live with it for a while as we attempt to find a solution. Thank you for your patience!

With the new Directory came a clean-up of the Email Blast list, deleting former owners and making certain that only current owners are receiving BG email blasts. The Password to the website has also been changed. If you missed that email providing the new password, you can contact BermudaGreensNews@gmail.com to get the password. All requests will be verified as current owners before a password is provided. Please remember that Passwords are for current owners only, not Realtors or Tenants.

Chairs Landscape Committee

BOCCE

Our Annual Bocce League has concluded without a championship team determined. The two teams that would have competed for the championship were Missing Links (consisting of Emi and David Lydem and Scott and Eileen Holcomb) and Hot Shots (consisting of Frank and Mary Trad and Linda Earle and George Santos). The Coronavirus interfered and we had to suspend all play in compliance with the 10 person gatherings. We had a wonderful year with very competitive teams. The very last day of play determined which teams were in the playoffs. As a committee we would like to thank all participants for a fun and competitive year. What a wonderful way to get to know your neighbors. We hope to see you all again next year and perhaps some new participants joining us.
