ISSUE NO: 178 – MARCH 2020

A MESSAGE FROM THE PRESIDENT

First, a brief summary of topics addressed at the 28 Feb BG Board meeting for those unable to attend: hot water tank replacement process, bike outside storage, website forms for referrals to BG Board & property manager, Comcast fiber install update, pool gate repair/replacement, T-12 lanai restoration., pool deck condition, & ARC window replacement recommendations.

As always, the objective of the Board is to improve your quality of life and protect your financial investment. The activities and social events that follow in various sections of the Bugle demonstrate that commitment. These events are planned and implemented by Resident volunteers, self-financed, and are a primary reason why BG enjoys a very favorable reputation in SWF.

Lastly, a reminder that the BG annual meeting for owners is scheduled for 30 March @ 4pm at the Imperial Golf Clubhouse. A second official notice is in route to all owners containing an Agenda and Proxy forms to insure a quorum. In order to provide the Club House with an estimated number for food and beverage needs email Harry the BG property manager with your intention to attend by 20 March.

Fred Demma, President

TREASURER'S REPORT

Our finances are in pretty good shape. January income and expenses are in close agreement with the approved budget. Income is \$4k over expected and expenses are \$4k under budget. There are two extraordinary cost for the court yard repairs and building renovation that amount to \$19k. There is one outstanding expense for the renovation of T building which should be resolved soon.

The P&L and Balance sheet are posted on the web site.

There have been inquiries on the roof loan, the last loan payment is February 10, 2024

Bob Giese, Treasurer

PROPERTY MANAGER

Spring is in the air! Enjoy the flowers and warm temperatures, but be aware of your surroundings. It's that time of year when break-ins are up in homes and cars. An unlocked front door with money and jewelry on the table, or car door with a women purse clearly visible, are easy targets for burglars. Avoid that temptation by locking both doors. If you are going to the beach, keep your valuables out of sight and in the trunk of your car. Crime is everywhere so be smart and enjoy your time in paradise!

LANDSCAPE COMMITTEE

Come the end of March, early April some folks here in Bermuda Greens will be saying goodbye to this season and heading north. With that in mind it's time for the annual landscape reminder regarding your gardens and spring cleanup.

Please be sure to pull any and all annuals you may have planted. Any potted plants should also be removed. Place the plants in a paper bag and put it curb side for the Friday refuse collection.

Any pots or garden decorations should be safely stored inside so they will not be airborne and destructive should we experience a hurricane. Any items hanging in trees, i.e. orchids and decorations, should be removed to a safe location to prevent them from flying around in the event of a storm.

We wish everyone a safe trip to their northern homes. Have a wonderful summer and fall season, looking forward to seeing you all next year. Until then, happy gardening!

Emi Lydem & Steve Smith,
Chairs Landscape Committee

BOCCE

Our Bermuda Greens Bocce season is drawing to a close. We have two weeks of competition left before the playoffs. The playoffs will be Monday, March 23 and Tuesday, March 24. The winners of these two games will participate in the Championship game on Wednesday, March 25. All the playoff games will take place at 3:00. All people in the community are invited to bring their lawn chairs over to the Bocce Court to watch the games and to get to know their neighbors.

The banquet for bocce participants will be Thursday, March 26. Exact time for the dinner to be announced later.

Hope to see you at the playoffs

BINGO

Our next Bingo night is Monday, March 9th at 7:00 PM in the Bermuda Greens Clubhouse. We'll continue Bingo on the 2nd and 4th Monday of each month so long as there is a sufficient level of interest.

A lucky "7" or "11" was not rolled on the dice during our last session on February 24th, so the "Prize Plus" pot is still building... and is getting even bigger! Odds say that it's now overdue to hit! Be sure you're there on Monday... it could be paid out that night if a lucky "7" or "11" is rolled! The PrizePlus pot keeps getting larger each week until it hits again... if the PrizePlus pot *is* activated, it is added to the regular pot for that night and all prizes will be increased proportionally (by about 2X now!). Invite your friends and neighbors, too... more players make for more fun and bigger prizes!

Bingo cards (each with three games) are still just \$6 each, and are good for all games that night. *Small bills (especially \$1 bills) and exact change if possible are appreciated!*

Bring some snacks to share if you can. Hope to see you all at Bingo!

DOMINOS & MORE

Television trivia was held on Monday night, March 2nd. There were five teams with approximately 32 people total that played. A good time was had by all and we received a lot of positive feedback to bring trivia night back next season. The winning team was Mary and Frank Trad, Barb and Ray Vanasse, Marie Willwerth and Dan Howard.

We are continuing to meet Tuesday mornings at 10:00 to play Dominoes, and usually have from 6-10 people playing. The next Monday night Dominoes will be March 16th.

Any questions or for more info, please contact Nan at mail4nanv@att.net
