

## **BERMUDA GREENS MEN'S CLUB**

The Bermuda Greens Men's Club meets on Wednesday mornings from 9AM-10AM, January through April in the BG Club House. The Men's Club is open to the men in our community, including owners, renters and guests. A topic is often selected for discussion or an open forum is used. Topics include current events, events in history or often there are guest speakers who share their interesting career experiences from pilots to upcoming tax changes or travels around the world. Each year, the Men's Club hosts a candidates forum to the entire community so that all BG Board of Directors candidates have the opportunity to share their background and what they see for the future of Bermuda Greens.

All are welcome, owners, renters and guests included. Enjoy a cup of coffee, catch up and share your ideas in a thoughtful and respectful manner. This is a great way to meet your neighbors in the BG Community.
