

## How to Use Bermuda Greens Application Forms Instructions for Fillable PDFs

The forms below have all been updated and created in Fillable PDFs. Any previously used or saved forms should be discarded.

Owners and/or their agents should use these forms to submit their applications. This will improve the process for all involved, allowing May Management and the Bermuda Greens Board of Directors to better view the information that is entered.

Each form begins with an outline of the requirements for that specific application. Bermuda Greens owners or their representatives should complete the application in its entirety before submitting. After completing the fillable PDF, you may still print it to submit with your payments or you can email it and submit your checks separately. No application may be processed unless it is complete and the appropriate checks have been submitted.

To use the writable PDFs, open the document and save it to your computer/iPad or whatever device that you use. You may then complete the application and submit it as indicated on the form.

If you have any questions, please email or call Susan Palmer at May Management.
