

TO: BERMUDA GREENS OWNERS

FROM: BOARD OF DIRECTORS

TOPIC: ANNUAL MEETING

Due to the latest CDC advisory and the state of emergency declared by state and local governments, and pursuant to its emergency powers under Florida law, the Board has cancelled the annual meeting scheduled for March 30, 2020. There was no election as the number of candidates did not exceed the number of vacancies. As of March 30, your new Board is Fred Demma, Steve Smith, Robert Giese, Mark Chambers, and Guy Miata. The board will advise you after that date on the new officers. The Board encourages individuals to follow federal, state and local recommendations as they are issued. Any further Board action that effects Bermuda Greens will be emailed to owners and posted as is practical and possible, keeping the health and safety of its members and staff in the forefront. Also, the scheduled Board meeting for tomorrow (3/20/20) will be cancelled.

Harry Parks, CAM
