

Board of Directors Response to FL Executive Order

Because of the danger which has been brought to our residents and guests by the Coronavirus, the Board of Directors of Bermuda Greens, herewith makes the following temporary modifications based on the recommendations from the association's legal counsel, RALAW.

Commencing Friday, April 3, the clubhouse shall be temporarily closed to all persons except the board of directors and the maintenance crew.

Commencing Friday, April 3, the clubhouse lanai shall be temporarily closed to all persons except the board of directors and directors maintenance crew.

Commencing Friday, April 3, the Bermuda Greens swimming pool shall be open commencing each morning at sunrise and closed each evening at sunset.

Commencing Friday, April 3, all furniture, including tables and chairs around the pool shall be removed and no more than ten residents or guests shall be allowed in or around the pool. Each person coming to the pool can bring their own chair.

The restrictions set out herein will be removed by the board when it has been determined that the Coronavirus danger no longer is a threat to our residents and guests.
