You will be taken to our Property Search Tool.  
Enter your association name and select it from  
the list.

#### 3. Head to the Payment Portal

Once you find your Association through the  
Property Search Tool, select 'Click here to go to  
the payment page'

If you've registered your account, enter your  
login information, and log in to make  
your payment.

If you don't want to register your account, you  
can make a quick payment with your account  
number and payment method.

### Registering, Logging In, and Setting Up Auto Pay

After finding your way to the payment portal,  
you can register your account with your account  
number, log in, and set up a one-time payment,  
OR set up Auto Pay. Both options are available  
to you and have easy-to-read instructions.

You must use a "-" within your account number to have  
the payment portal recognize your account.

To set up a one-time payment: Enter the  
payment amount, the payment date, and the  
payment method. Then review and approve.

To setup Auto Pay: Select the amount, the  
payment date to be pulled, the frequency, and  
the payment method. Then review and approve.

*Please remember that if you have an existing AutoPay  
with KEB and now decide to create a new AutoPay within  
your payment portal, you must request KEB Management  
to cancel any previously created recurring payments.*
