

Electronic Communications (eNotice and eVoting) Option is Now Available For Bermuda Greens Owners

The Bermuda Greens Board of Directors at the January 25, 2022, meeting, voted unanimously to support the use of Electronic Communications (eNotice) and Voting (eVoting) for official Bermuda Greens Board business and is ready to move forward with this program.

Making this transition will ensure Owners will receive their Board Communications and eVoting packets in a timely, efficient manner, saves us money and is easy to use. Owners will have the choice to OPT IN to Electronic Communications or stay with the US Postal System (USPS).

What does this mean?

Certain Board business requires Notifications and Voting by Owners e.g. Annual Meeting notifications, Board elections, By-Law changes etc. When you OPT IN to eVoting, you agree you will receive eVoting and eNotice through your email and no longer receive paper documents through the USPS.

How is this different from the eBlasts we already receive?

eBlasts are sent as a one-way message for information purposes. The same info is posted on the website, kiosks etc. This may be for social events, rules reminders, or information about projects etc. All Owners receive these emails unless they Unsubscribe.

What is the benefit to me of selecting to OPT IN to eNotice & eVoting?

eVoting ensures you will receive Voting Communication packets quickly and can return your vote electronically within a few minutes. You will not have to rely on the USPS.

Does my vote continue to be Confidential?

Election ballots will continue to be confidential for those eVoting, just as a written election ballot is "Secret" in that the owner does not sign it. Other votes will be tallied and the report available to owners just as any other official voting record.

What benefit is this to the operation of Bermuda Greens?

This is an efficient and economical way to ensure Owners receive necessary communications in a quick, timely manner and saves money. Paper packets can be costly and slow. We are 230 units in BG. The savings are real.

Am I required to OPT IN to eNotice & eVoting? No. If you choose to continue to receive paper documents through the USPS you don't need to do anything. If you OPT IN you will no longer receive paper packets through the USPS.

If I don't OPT IN, will I still receive eBlast communications? Yes. You continue to receive everything via eBlast unless you Unsubscribe at the bottom of the email.

Will I be able to change my Option at a later date?

Yes. You will have the ability to OPT IN or OPT OUT at any time.

I'm Convinced - How do I OPT IN?

Great! All you need to do is follow the instructions below to enroll. The Consent form, along with the Revocation form will reside in the Forms section of the BermudaGreensNaples.com website.

I'm not technical but I'd like to consider doing this. Will there be help available?

Yes. Workshops will be available in the clubhouse. Dates and time to be announced. Bring any of your devices (phone, iPad, tablets, laptops etc.), and we will show you how to complete the enrollment form.
