

A Message from Bermuda Greens President, Guy Miata

A quick note to say I hope everyone is keeping cool and having a great Summer. Obviously, as some have noted, we have not had any board meetings recently. Rest assured that, once Summer's over, meetings will once again be scheduled as necessary. In the meantime if you have any concerns please send them to our Community Association Manager, via the BermudaGreensNaples.com website. If they cannot be resolved by the office they will be forwarded to the board for further action. This brings me to the another announcement.

Harry Parks, our CAM, has decided to retire and move on. Harry's last day in the office is Tuesday, September 6. We wish Harry well in this new chapter of his life.

As Harry moves on, please join me in welcoming Claire Marie England to our Bermuda Greens Office. Claire Marie joined KEB in 2019 and has worked as Harry's Administrative Assistant during his tenure at BG and is currently working toward her Community Association Manager certification. During this interim period, Ken Bloom, CAM, Principal at KEB Management Services, will serve as our CAM and assist Claire Marie as needed until her certification is completed.

Claire Marie will be in the office Monday - Friday, 8 am - 12pm. Stop by to welcome Claire Marie and introduce yourself.

Till October, when once again I'll see you at the pool.
Guy
