

LANDSCAPE COMMITTEE VOLUNTEERS WANTED

Summer's here and, from the looks of things, many of you are not. No matter the season, work that is necessary to ensure our community maintains its appearance goes on. As some of you know our Chairman of the landscape committee, Steve Smith, is no longer an owner or resident here in Bermuda Greens and, as such, is no longer heading up that committee leaving a vacancy that we need to fill.

If any of you are interested in sharing your landscaping expertise please let Harry or any of the Board members know. It may be time to restructure the committee and break it up into smaller groups with people handling clusters of buildings as opposed to one person handling everything. I'm open to suggestions. Keep in mind that landscaping is the single largest component of the Bermuda Greens budget.
