

BERMUDA GREENS

Condominium Association

Residents of Bermuda Greens,

We are extremely fortunate to reside in a community where we are surrounded by beautiful landscaping, and we were blessed to have sustained only minor damage as a result of hurricane Ian. Our landscaping maintenance contractor, Juarez Lawn Care, Inc., has been an outstanding partner in maintaining our grounds for over 20 years and we can be very proud of the wonderful impression our surroundings make on our visitors.

To maintain a continued focus on our community's overall landscaping, including lawns, shrubs, flowers, palms, hardwoods, and irrigation system, a call went out last fall for anyone interested in being on the newly formed "Landscape Committee." Four individuals stepped forward and, as is the case with most volunteer positions, they now make up the committee! Scott Fisher will act as the committee chairperson with other members being Judy Fisher, Maria Senior, and Joan Giannotti.

Should you have a landscaping request or inquiry, please use the following process to bring it to the attention of the committee for review and response.

1. Go to [Bermuda Greens Home \(bermudagreensnaples.com\)](http://bermudagreensnaples.com)
2. Click on "Community Management"
3. At the bottom center click on "Send a Message to the Community Manager" (Claire Marie England)
4. At the dropdown select "Landscape Inquiry"
5. Complete the requested information and Submit.

As an alternative to using the website, requests and inquiries can also be submitted to the committee through our Community Manager.

Establishing our Landscape Committee and developing an efficient system to review and process your requests and inquiries is just another effort to improve our overall responsiveness to you, our owners. While all requests will be promptly reviewed and responded to, approval will be based on budget and current regulations (Bermuda Greens Rules and Regulations, page #7, "Gardening Areas"). Also, please note that our landscaping rules and regulations are in the process of being reviewed and updated and any changes will be communicated to you soon.
