

Dear Bermuda Greens Residents,

A few important reminders:

Bikes being stored on Bermuda Greens property should be operational and in good order. There are several bikes that look abandoned, flat tires, etc. ALL dilapidated bikes will be removed this Friday April 11th. If you have any questions, please let us know.

Leashing Pets is mandatory. (Rules excerpt 3. The pet should always be on a leash or carried by the owner while on condominium property outside the owner's unit.)

Pick-up trucks are not permitted in Bermuda Greens.

Thank you for your attention and continued compliance.

Sara Catlett, CAM
