

Bermuda Greens News- CAM on-site tomorrow and Inspection Update

Dear Bermuda Greens Residents,

Thanks to everyone for their patience regarding the fire alarm inspections today. Interior Access has been completed for all 12-unit Buildings. Tomorrow the inspections will all be exterior, so no access to the owner's units will be necessary.

CAM will also be on-site tomorrow at the Bermuda Greens Clubhouse from 9AM-11:30AM for anyone still needing assistance with registration.

Happy St. Patrick's Day!

Sara Catlett, CAM
