

Bermuda Greens Residents...

As we are fully immersed in the holiday season, I hope you are enjoying the festive lights and events this time of year brings.

Since the board did not convene in December, we will hold the January board meeting on January 6th at 12:30 p.m. to address matters that have arisen over the past few weeks. Moving forward, our meetings will resume to the regular schedule of the third Tuesday of each month at 12:30 p.m., unless otherwise notified.

The new year is poised to bring a flurry of activity. With holiday travel complete and snowbirds returning, it's an ideal time to look forward to an engaging winter season. Let's continue to appreciate all that BG has to offer during this time.

Lorrie
