

Bermuda Greens News- Community Update

Dear Bermuda Greens Residents,

SPA: This morning electricians identified and addressed connection issues that appear to have resolved the issues with the spa. Tomorrow the spa will be tested, treated and will likely be re-opened. The company that completes warranty repairs on the spa is scheduled for Thursday, if needed. We appreciate everyone's patience during the down time.

WIFI AT CLUBHOUSE: 5.0 Wi-Fi is available again at the Clubhouse. In order to connect to the faster speed, choose **BGOffice 5**, the Password is **Clubhouse**.

BIKES: The removal of the abandoned bikes has been scheduled Friday with Bulk Pickup **from Waste Management**.

ROOF CLEANING: Roof and Gutter cleaning has been approved, and we will let you know as soon as it is scheduled.

Thank you for your attention. Hope you are all having a great week.
