2027 Bocce Registration is Now Open!

The Sign Up form for the 2027 Bocce season is now available online and located on the Activities and Social Events page on the Bermuda Greens Web Site. All residents (owners and renters) are encouraged to join this fun-filled community activity. Click the link below to access the form. Complete the form online and submit.

You can sign up as an individual or as a pair. A blind draft is scheduled for December 29 to form 4 player teams. Individuals are drawn first to form pairs, then pairs are drawn to form a four person team. At the drawing, teams will pick a captain and team name; creativity is encouraged.

A players fee of **$15** is used to finance the end of season festivities and will also be collected at the draft.

League play begins January 4. Each team is scheduled to play once a week. Games are played Monday through Saturday with play starting at **2:00 PM**. The league will finish up before Easter with the championships and celebration.

There will be a **Captain's meeting Monday, January 4, at 10:00 AM** to review responsibilities and rules.
